MEN ARE POWERLESS

To Fight Against Disease Unless They Strike at the Underlying Cause. To treat Dandruff, and Falling Hair, with trritants or oils on which a para-sitic germ will prosper, is like scooping water from the ocean to prevent the tide

from rising.
You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the

trouble.

You must kill the Dandruff Germ.

Newbro's Herpicide does this because it is specially made to do that very thing.

When the germ is removed, the hair has no choice but to resume healthy growth and beauty.
